

Privacy Policy

The Logic Calculator app has been built by Ioannis Votsis as a Free app. This SERVICE is provided by Ioannis Votsis at no cost and is intended for use as is.

Information Collection and Use

No information is collected. The app does not use third party services.

Service Providers

No third-party companies and individuals are involved in the app.

Security

I value your trust. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and I cannot guarantee its absolute security.

Links to Other Sites

This Service contains links to my personal website www.votsis.org where more information about the app can be found.

Changes to This Privacy Policy

I may update this Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. I will notify you of any changes by posting the new Privacy Policy on this page. These changes are effective immediately after they are posted on this page.

Contact Us
