

Will the Real Pragmatism Please Stand up

Ioannis Votsis

(New College of the Humanities and London School of Economics)

ioannis.votsis@nchlondon.ac.uk / i.votsis@lse.ac.uk

www.votsis.org

This talk has two aims: (1) To single out a couple of ways the pragmatism project is not going to work.
(2) To identify a realistically-inclined pragmatism w/classical roots and to (cursorily) compare it to modern-day realism.
